ONONDAGA CENTRAL SCHOOL DISTRICT NEWSLETTER

Dear OCS Families,

Under a sunny blue sky with summer temperatures, we were very proud to celebrate and send off the Class of 2022. We are in the middle of summer and I am sure graduates are on their way to preparing for college, beginning life as productive adult citizens working! We wish you the best of luck and are certain your future is bright! Onondaga CSD also wants to recognize and thank the Onondaga Central Education Foundation for generous scholarships to graduating seniors totaling over $35,000 dollars.

During the last school year, it was great to see our progress and growth as a community and school back to normalcy. This summer we are happy to have summer athletic training sessions and the Town of Onondaga Parks and Recreation happening. Additionally, we have been pleased to offer summer school and summer enrichment programs for students with District provided transportation.

The phase two portion of the capital project renovations going on at the Jr./Sr. High School, Wheeler and Rockwell Elementary Schools are smaller projects than last summer. We are optimistic that we will reach substantial completion to open school in September. This summer they are finishing up elementary buildings, cafetorium bleachers, a couple classrooms and bathroom renovations and hallway walls at Rockwell ES. In the Jr/Sr High School auditorium, we are refinishing the walls, ceiling, and floor and replacing the sound system. Additionally at the Jr./Sr High, we are replacing and refinishing the ceiling in some of the corridors and adding a gymnasium dividing curtain. At Wheeler ES, we are also renovating a couple classroom restrooms, adding a door to the library to access the courtyard, and STEM rooms next to the library and in the third grade wing.

Likely again this year as last year, in September and October, we will have small renovation items or punch list tasks that will be completed on the second shift after school. Due to backlogs in manufacturing and supply chain issues, we do have some material and equipment with delayed delivery dates into the fall. These delays are negatively impacting our timeline for the auditorium sound system, bleachers for the Rockwell ES cafetorium and Wheeler ES small gym and the Jr/Sr High School gym curtain. This equipment will most likely be installed after the school year starts and will happen during the second shift and weekends.

Back to School: First Day of School Tuesday, September 6, 2022
School supplies have been out in the stores since graduation. If you have not already started preparing for school, supplies are selling off the shelves at stores quickly. We have heard of a shortage of computer paper and other supplies this fall. We are prepared with a good stock of paper to start the year, but we will utilize Google Classroom to reduce paper usge. Teachers are ready and knowledgeable regarding appropriate amounts of screen time students should have during the day. With your support, we have made a significant investment in Chromebooks K-12 and plan to utilize them as instructional tools that enhance teaching and learning. Technology investments will help reduce the use of paper at each grade level as appropriate. Students at the Jr./Sr. High School will be assigned a Chromebook for use in class and at home to access information and complete assignments. At the elementary buildings, students will have access to them in classrooms as needed.

OCS is planning a normal return to school with all students learning in-person! Thank you for all your hard work and patience through the transition. I have not heard about any guidance from the CDC and DOH in regard to protocols for opening school in the fall. I will communicate this guidance if and when it becomes available. Thank you for your understanding and support.

Sincerely,

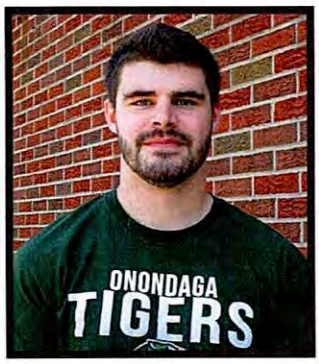
Rob Price
Superintendent

THE ONONDAGA CENTRAL SCHOOL COMMUNITY
CHALLENGES individual maximum potential, prides itself on SUCCESS and prepares contributing CITIZENS for life.

Summer 2022

WELCOME TO OCS

My name is **Ginger Holleran** and I am excited to join the OCS team as the Student Services Coordinator CPSE/CSE Chair. Before joining OCS, I worked as the Assistant Director of Pupil Personnel Services at Jamesville-DeWitt, and as an Intervention Specialist at Marcellus Central School District. I obtained my undergraduate degree from SUNY Geneseo, my Masters Degree in Literacy from SUNY Oswego, and my Certificate of Advanced Study in Building Leadership and District Leadership from LeMoyne College. On a personal note, I live on Onondaga Hill with my husband Dan, son Liam, and daughter Ella. I love to spend time with family and friends, try new recipes, and spend time outside. I am looking forward to working with everyone!



Greetings OCS families! My name is **Dan Purcell**, and I am very excited to begin my first teaching experience with all of you. I will be teaching 9th grade English and assisting with both the Tiger football and baseball programs. I'm from Camillus, NY and am a 2022 graduate from St. John Fisher College. There, I received a degree in Inclusive Adolescence Education and participated on the football team for four seasons. In my free time, I enjoy reading novels by contemporary authors, freewriting, watching superhero films, and building Lego sets with my girlfriend. I'm looking forward to this great opportunity and can't wait to get started!

Hi, my name is **Rachel Frateschi** and I am so excited to join the Onondaga Central School District Community! I grew up in Tully, New York and attended SUNY Cortland where I studied Early Childhood and Childhood Education. I have always had a passion for working with children. Ever since I was a little girl, it was my dream to become a teacher. I completed my student teaching in a second grade classroom at Rockwell Elementary where I quickly fell in love with the sense of community and built relationships with the students and staff. I am thrilled to be given the opportunity to stay at Rockwell and cannot wait to join the amazing kindergarten team!

For those who have not met me yet my name is **Renee Cormier** and for these past 2 years I have served as Rockwell's Recess/ Lunch Monitor. I have fallen in love with this district so much that I decided to complete my certification to become a TA. I am so excited to be stepping into this new role of Teaching Assistant! This district has a special place in my heart, since my husband is a graduate and we moved here to raise our two girls. I couldn't be prouder to serve you all in this new role. See you in September!

WELCOME TO OCS

Hello! My name is **Nicole Sanborn**, I am the new Teaching Assistant at the High School. I was a substitute teacher at all three buildings for the past two years. I graduated from OCS in 2013 and my little sister is currently attending the Jr./Sr. High School. I have a BA in History and a Masters in Critical Museum Studies. Some of my hobbies include reading, tennis, and drinking tea. I look forward to a new year with everyone at the High School!

Hello OCS! My name is **Kelly Rosenthal** and I am the new full time secretary at Rockwell Elementary. Most recently I was employed as a 911 Public Safety Telecommunicator at Onondaga County 911. I was the voice on the other end of the phone- talking to callers and assisting with their emergencies. I have even delivered 2 babies via the phone! One of my favorite activities is watching my children play sports. I also enjoy hiking, arts and crafts, and playing volleyball in the summer. Currently my boyfriend and I (and sometimes our Lab Zoey) are working to complete the Adirondack Fire Tower Hiking Challenge. We only have 5 more mountains to complete the challenge. I am very excited to join the Rockwell family.

SCHOOL SAFETY EXCELLENCE AWARD

Joe Campbell, Reagan Insurance Agent and Sean Reagon President of Reagan Insurance LLC present Onondaga Central with the 2022 School Safety Excellence Award from Utica National Insurance. This is Onondaga Central's 7th year earning the excellence in school award and earning at the Platinum Level, the highest level and bronze being the lowest. Awards are earned by the school district ensuring, maintaining and practicing an excellent school safety program The challenge is reached by teamwork throughout the school district from all the staff, practicing safety and maintaining safe work environments. Kudos to all staff at OCS for diligent work and safety practices! Keep up the Good Work!

OCS HOMECOMING

Homecoming 2022 is scheduled for Friday, October 21 st and Saturday, October 22 nd . Friday night's activities will include carnival attractions for the younger set, concessions along the Technology Building, and the "Wreck-a-Car" will be in its' traditional space.

Doug's Fish Fry will be serving dinner on Friday from 4-7 pm. It is always a Homecoming favorite, serving delicious food at inexpensive prices. This year homecoming is recognizing and celebrating the 2001-2003 Football State championships. The activities are still being planned and will be released when finalized. We are encouraging people to utilize the parking lot located behind the District Office. The high school technology building parking lot will be taken up by the bonfire that will start at 6:30 pm. Friday night's activities conclude with the yearbook sponsored Homecoming Dance from 7:30 to 10:30 pm. The king and queen will be crowned at 10:00 pm.

Saturday's events begin with the traditional Homecoming Parade down South Onondaga Road. Our parade will follow its' traditional route. Local law enforcement, fire departments and youth groups will intermingle with the four high school floats. This year we will have two float competitions. The first category is our traditional float competition between the different classes. The second is an open category and everyone is invited to enter. The winners of the float competitions will be announced during half time of the varsity football game.

Onondaga's varsity football team hosts Phoenix at 1:30 pm and promises to be a great game. There will be youth attractions and the many food concessions will be open from noon to 4:00 pm. As always, the concession tent will offer a wide variety of Homecoming favorites. Get there early for a good parking space and a seat in the stadium. Hope for good weather and sunshine as you renew friendships and enjoy the day! See you there!

OCS HOMECOMING

HOMECOMING

Friday – October 21, 2022

4:00 – 7:00 PM Doug's Fish Fry

6:00 PM Game TBD

Celebration of 2001-2003 State Championships

6:30 PM BONFIRE

7:30 – 10:30 PM Homecoming Dance in the High School Gym (Grade 7-12)

Saturday – October 22, 2022

The Parade starts at Noon

Celebration of 2001-2003 State Championships

Food Concessions will be available starting at Noon

1:30 PM Varsity Football vs Phoenix

Come cheer on the Tigers and celebrate the new school year!

DISTRICT NEWS

Booster Club

The OCS Booster Club is a not-for-profit organization formed by volunteers who live in the district. Our goal is to promote and financially support extracurricular clubs and activities at the Onondaga Junior-Senior High School. The Booster Club acts as an umbrella organization under which parents can raise funds for specific clubs and activities. All of the funds raised for a specific group are credited to that group and not available for use by any other group or activity or by the OCS Booster Club. In addition, the Booster Club raises funds for and hosts the After Prom Party which includes many generous items as give aways and prizes.

A big thank you goes out to Schelly Neuser for serving as President, Chasity Jaynes as Vice Presidet, Vera Power as Secretary and Dave Toomey as Treasurer. Please consider helping our kids and volunteering for Booster Club. Meetings are only once a month, on the first Monday. We hope to see you there!

OCS Employment Opportunities

Substitute School Bus Driver or Bus Monitor
Retired? Looking for something to do or some extra money? Are you at least 21 years old? Do you have a driver's license? Do you like working with kids? Come see us and we will train you! We can get you ready for your road test or teach you how to assist special needs students on the bus. No experience is necessary, but is always appreciated. Please contact Mr. Dodge at 315-552-5090, if interested.

Substitute Lunch/Recess Monitors
Rockwell and Wheeler Elementary Schools

Subsitute Teachers (certified & uncertified) and SubstituteTeaching Assistants
If interested, please visit our website at onondagacsd.org, District, Quicklinks, HR/Employment, Job Openings.

Substitute Food Service
Join the Onondaga/West Genesee Food Service Team! We have immediate openings for substitute food service positions. Call the Food Service Office for more information at 315-487-4661 OR go to www.westgenesee.org to fill out a non-instructional application.

Substitute Custodians
Generally needed for the evening shift from four to eight hours at Rockwell, Wheeler, and the Jr/Sr High School. Some heavy lifting required. Training is provided. If interested, please contact Mr. Benedict at 315-552-5090.

ROCKWELL ELEMENTARY SCHOOL

Dear Rockwell Families,

I hope you have been enjoying a wonderful summer! I am so thrilled to have started as the new principal at Rockwell Elementary on July 1 st . Even though students and staff are home for the summer and construction is well underway, the feeling of the "Little School with a Big Heart" is still strong and makes
me feel excited for the upcoming school year.

Originally from California, I earned my undergraduate degree from the University of California Davis where I studied Political Science and International Studies. During this time, I studied in Budapest, Hungary where I taught students English. This is where my love of teaching took hold. After a short time in the non-profit sector in Washington DC, I was accepted into the "Teach for America" program and I was placed in Bedford Stuyvesant, Brooklyn, teaching 2 nd grade. I earned my Masters of Science in Teaching and Special Education at PACE University. After completing my tenure with Teach for America, I felt compelled to stay in New York to continue teaching at my placement school, where I met and married my husband, a fellow teacher (and OCS alumnus!) After teaching for 6 years, I earned my second Masters degree in School Leadership from the Principal's Institute at Bank Street College.

After seven years in New York City, my husband and I were ready for a change and more space. We decided to move to Central New York, and specifically chose OCS area because we wanted to raise a family in this school district. I started working as a Vice Principal in the Syracuse City School District, where I worked at Frazer and Meachem Elementary Schools. After five years, I became an Assistant Director of Special Education, where I oversaw ten schools in the south side of Syracuse City. When I discovered the opening for Principal at Rockwell, I was so excited for the opportunity to "come home" and help shape the educational opportunities for my community and my daughter.

I am honored to be able to begin this year at Rockwell. So far this summer, I've had the pleasure of working with the OCS leadership team, meeting many staff members, watching the building transform through the capital project, and planning for the expansion to full-day pre-K. I am most excited for September 6th, the first day of school, when I will be able to meet all of the Rockwell students, get to know their names and their families and to help them thrive.

Sincerely,

Katelynn Killmore
Principal

WHEELER ELEMENTARY SCHOOL

Dear Wheeler Families,

We hope your summer is going well! Things have been busy at Wheeler since the end of school. Many students are participating in the Town of Onondaga activities at Wheeler so buses are still out in the neighborhoods and will be through early August. We have also had a few activities led by Wheeler teachers including a book club and some baking classes. Look for additional newsletter articles about those activities.

In addition to the student centered activities, we also have teachers in and out of the building as they plan and set up for the fall. We are still working around some construction as well and will open in September with updates to a few classrooms, the STEM Lab, and the library. Luckily, our construction this summer is on a much smaller scale than it was last summer and, for the most part, will be completed before we start school in September.

Our first day of school this year will be Tuesday, September 6th. The building will open for students at 7:35am. If you are planning on dropping your child off at school, please plan to have them here by 7:50am. The day ends at 2:12pm and, if you plan to pick your child up from school, we ask that you contact the office ahead of time so we can make sure your child is ready for you.

Our primary means of communication with parents will continue to be ParentSquare. If you are not already connected with ParentSquare and need assistance with setting up your account, please contact Jennifer Williams in the Main Office at Wheeler (315-552-5050) for assistance. Most of our summer information will go out on ParentSquare in early August, look for updates there throughout the summer and all during the school year. You will also get your child's classroom assignment through ParentSqaure, look for that by mid-August.

On Thursday, August 25th, at 6:00pm we will host a welcome for our 3rd graders and their families. We'll start with a brief introduction in the cafeteria and then a visit to the classrooms. Teachers will not be here that night but I will be there to answer any questions you might have. You'll also be able to drop off things in your child's classroom so they don't have to carry them to school on the bus.

If you have any questions or concerns as your child prepares for the fall, please don't hesitate to call or email. The Main Office is generally open from 8am until 3pm on weekdays. Please call ahead if you plan to stop by as I am often away from my desk at meetings or attending to other duties throughout the day and I want to make sure we have time to meet if you have questions. Enjoy the rest of your summer and we'll see you soon!

Sincerely,

Warren Smith
Principal

JUNIOR/SENIOR HIGH SCHOOL

Dear Families,

The 2022-2023 school year is about to begin, and we're all busy getting ready for your arrival. We are looking forward to your first day of school on September 6th ! Classes will start at 7:45a.m. and end at 2:20 p.m.

The best way to stay connected with what is going on is through the Onondaga Central School District website's calendar. We also are continuing to use ParentSquare, which will allow us to push out communications in a timely manner.

The use of cell phones and personal electronic devices including ear buds between the hours of 7:45 am and 2:20 pm will be monitored by the staff in zones labeled as Red and Green. Cell phones, earbuds or personal devices are not allowed under any circumstances to be used and will be strictly enforced in Red Zones. All classrooms and hallways will be designated Red Zones for the 2022-2023 school year. The only area that will be designated as a Green Zone the is cafeteria during lunches.

During the first week of August, OCS families should have received a mailing at their primary home addresses as well as a ParentSquare message which includes student schedules, permission slips and other important information. There are many forms which students and parents need to review and sign, and others that need to be returned to school at the beginning of the year – so please pay careful attention to the packet checklist and instructions.

School Supply lists are also available on the Onondaga Jr/Sr High School website. If you have any questions regarding the information you receive over the summer, please call the Guidance Office at 315-552-5023 and we will be happy to assist you.

We have some staffing changes at the Junior Senior High School for the upcoming school year. We have a new English Teacher Dan Purcell, Technology Teacher, Peter Pekny and Teaching Assistant Nicole Sanborn.

NEW 7th GRADERS: We look forward to meeting you and your parents at our 7th Grade Orientation on September 1st at 5:00. You are encouraged to bring your school supplies to this very important event! For those interested in athletics, please go to the Onondaga Central School District's website and utilize Family ID to register your child. Athletes must have a physical to participate in practices and games. We appreciate you reading through the entire letter and gaining the information you need to help start your child off to a great year. We also appreciate all of you being a partner with us in providing the best education possible for your child. Until September, have a wonderful summer, have fun and read a great book!

If you have questions regarding any aspect of your child's education, please contact us at the Jr/Sr High School at (315) 552-5020.

Sincerely,

Tim Mumford
Principal

Erik Swanson
Vice Principal

JUNIOR/SENIOR HIGH SCHOOL

Congratulations to the following students who scored a 5 on their AP Test this year:

Natalie Price - AP US History

Madison Jachim - AP Psychology

IMPORTANT MESSAGE FROM THE GUIDANCE DEPARTMENT

The Summer Packet which includes your child's schedule and other important information will be sent out via **ParentSquare** on August 1st. Please review the contents carefully as there are some forms that require a parent/guardian signature and need to be returned.

Thank you and enjoy the rest of your summer!

SUMMER ENRICHMENT PROGRAM

Polly's Page-Turners Kick Summer Off Strong!

Sometimes when summer vacation starts it is hard to find your first project, or the first thing you want to get into. One group of kids at Wheeler joined Mrs. Polly and read a special chapter book to start their summer off as bookworms! For the first OCS Summer Enrichment course this year, students at Wheeler were invited to join the first book club, and this group had a ton of fun, while finishing the 33 chapters of Gordon Korman's novel, Slacker. The story told the readers all about Cameron, who loved video games. All he wanted to do was play video games, so much so that he convinced his parents he was involved at school by creating a fake club to be president of. Unfortunately for him this "fake" club got the attention of every type of student at Cameron's school and the club became a real thing! The kids got together in their town and volunteered to help others, until they finally realized spending time with friends and family and helping others makes you the real winner…and that maybe some video games in moderation is okay, too! Each day the readers had "Book Club Meeting" goals, and participated in at home activities related to the book as well! All had wonderful discussions, as well as taking turns reading chapters aloud and sitting out under a shady tree! Hopefully this group will continue and students will keep finding a love of reading in the many different stories out there!

Cupcake Creations!

Last summer some students learned about baking and creating decorations on cupcakes, and it was so popular the exciting Summer Enrichment program with Ms. Knapp came back! In groups of 3rd and 4th graders and 5th and 6th graders, students learned new techniques in cake and cupcake decorating, as well as understanding the process of making your very own cupcakes and buttercream frosting! The students practiced hard, learning how the summer heat might affect their creations, as well as what tastes best, and ended up with a beautiful assortment of chocolate, vanilla, and brightly colored treats! There was even some extra cupcake batter that the students voted to make a small cake with. Then everyone got a chance to really see Ms. Knapp in action as they told her how to decorate the cake, with what colors and skills she had taught them! Each student took home four decorated cupcakes, then enjoyed one all together as a group in celebration of their hard work! Summer sure was sweet with this group!

SUMMER ENRICHMENT PROGRAM

Cookie Making Mayhem!

The love of baking for Wheeler students may have started with cupcakes, but this year kids got the chance to explore the science behind making sugar cookies from scratch, their own royal icing, then practicing different decorating techniques like they've seen on baking shows on tv! It took a lot of learning, measuring, and practice to make a perfect dough. The sugar cookie dough had to be chilled, so timing was important. The groups of 3rd and 4th graders, then 5th and 6th graders, each designed cookie decorations, as they were given one shape to turn into a work of art. The creativity was beyond sweet! Some students chose themes for their cookies, some chose different colors, some explored mixing colors…The results looked and tasted delicious! Mrs. Polly made sure each student had a chance to try each step, and even tried to trick their math skills with measurements! No one fell for the tricks, and each student got to bring home four beautifully decorated cookies and enjoy one decorated masterpiece together in celebration! It was a crumbly, sweet time and a great hobby to kick off summer with!

ATHLETICS

VERY IMPORTANT!!!

Waivers for sports physicals have expired. All student athletes will be required to have a valid physical within a year of their season start date. Now is the time to get these done!!! You can register your child for athletics in Family ID anytime within 30 days of the season start date for their sport.

JV/VARSITY FALL SPORTS REGISTRATION INFORMATION

JV/V Fall sports registration opened this Friday, July 22nd on Family ID [see the OCS Athletics website for direct link].

The season begins on August 22nd, except for Varsity Football which begins on August 20th [per NYSPHSAA].

During registration, **please be sure to upload a current physical which must be dated August 1, 2021 or more recent for participation.**

Please contact the athletic office with any questions. 315-552-5022; jczarny@ocs.cnyric.org

Athletics Start dates for the 2022-23 school year:

Fall Sports:
Monday August 22, 2022 - JV/Varsity Fall Season

Modified Fall Sports:
Monday August 29, 2022 - Modified Football (TBD)
Tuesday September 6, 2022 - All other Modified Sports

Modified Winter Season 1:
Wednesday October 26, 2022 - Mod Volleyball & Mod Boys Basketball

Winter Sports:
Monday November 14, 2022 - JV/Var Winter Sports

Modified Winter Season 2:
Wednesday January 4, 2023 - Mod Wrestling & Mod Girls Basketball

Spring Sports:
Monday March 20, 2023 - JV/Varsity Spring Season

Modified Spring Sports:
Monday April 12, 2023
