

Rockwell Newsletter

Dear Rockwell Families,

Hopefully February breaks this really cold weather. The children love to go out and play at recess, but we do not go out if it is below 20 degrees. Please have your child prepared to go out and play in the snow, having their snow pants, boots, warm jackets, hats and mittens. It is also good to have an extra pair of socks and a sweater in the classroom to have when needed.

The 100th day of school will be celebrated on February 14th. I am sure you have heard of the many activities happening in the classrooms and what a fun day for the students this will be. Valentine's Day will also be celebrated on the 14th.

We are looking for next year's Kindergarten students. If you have or know of a child ready for Kindergarten, please share this information. The child must be five years old by December 1, 2022 and registration will be held in March at Rockwell School. More information will be sent home to our current four year old preschool students in February.

We are also looking for future preschoolers for both the UPK classroom and the Rockwell Preschool classroom (4410). Registration will be held in February. Three year olds must turn three by December 1, 2022 and can only register for the original preschool program (4410). Children who turn four by December 1, 2022 may register for a spot in either classroom and placement will be determined after registration is complete. Please remember that transportation will be provided for all four year olds for all classrooms.

Our next After School Enrichment Session will be held from March 1st to March 24th. We will once again be offering Math and Reading Enrichment on Mondays and Wednesdays and more social activities on Tuesdays and Thursdays. The new class listings will be sent home on Parent Square next week.

The greatest thing we can give our children is time. Snuggle up and enjoy some time sharing a good book with your child during the cold month of February.

If you are planning on picking up your child from school, please send in a note in the morning.

Sincerely,

Margie Hart
Principal
