

## **Rockwell Newsletter**

### **March 2022**

Dear Rockwell Families,

We are seeing warmer and sunnier days recently so that must mean that spring is almost here! ☺

We have begun Kindergarten registration for the 2022-2023 school year. Registration packets have been sent home with our four year old preschoolers. Please fill out the paperwork and return it to school with your child with updated proof of residency. If you have any questions, please call the main office and ask for Lisa Wadsworth. If you know of a child that is eligible for Kindergarten in the fall, please let them know that registration packets can be picked up at the school.

We are also registering children for Preschool for the 2022-2023 school year. We run two different preschool programs. A 4410 program which is for three and four year olds and a UPK program which is only for four year old children. Space is limited in both programs. We have everyone register first so that we see our numbers. After placements are completed, parents will be notified in April which classroom and session their child will attend.

Rockwell School will begin the second phase of our building renovations over the summer beginning on June 24<sup>th</sup>. The tile in the hallways will be replaced and new bulletin boards will be added to display student work. This means for the second summer in a row that the building will be closed to visitors. This project has been in the planning for three years and we are excited to come back to school in September to all updated hallways. Please check the district website for additional information in the future.

Rockwell report cards will be sent home on March 17<sup>th</sup>. Please look them over and if you have any questions please contact your child's teacher. Please sign the envelope and return it to school the following day.

March is a tricky month for weather. Please continue to send your children to school with warm clothes and boots. The playground can get muddy and boots over sneakers is the better way to go.

Have a wonderful March! Spring is coming!

Margie Hart  
Principal

## Calendar of Events
