Subject: School Resource Officer Contract

This letter is written on behalf of the Onondaga Central School District (the “School District”) in accordance with Education Law §2801-a and §155.17 of Commissioner’s Regulations relating to security officer agreements and school safety plans. These provisions require local school districts to develop a written contract that defines the relationship between school districts and individuals/entities providing school security services (e.g. School Resource Officers). The amendments require that the contract be developed with stakeholder input, including, but not limited to, parents, students, school administrators, teachers, collective bargaining units, parent and student organizations and community members, as well as probation officers, prosecutors, defense counsels and courts that are familiar with school discipline.

The School District is evaluating a School Resource Officer agreement with the Village of Marcellus for the 2026-2027 school year. You are hereby invited to provide input regarding the development of the proposed agreement between the School District and the Village of Marcellus at the Board of Education meeting scheduled for 5:30 p.m. on June 2, 2026. The meeting will be held at the Onondaga Central Jr. Sr. High School cafeteria located at 4479 South Onondaga Road, Nedrow, NY 13120.

If you have any questions regarding this matter, please contact me.

Sincerely,

Rob Price
Superintendent of Schools
