## **FREEDOM OF INFORMATION LAW**

The New York State Freedom of Information Law as set forth in Public Officer Law, Article 6, Sections 84-90, mandates public access to government records. However, proposals submitted in response to this RFP may contain technical, financial background or other data, public disclosure of which could cause substantial injury to the Proposal's competitive position or constitute a trade secret. Proposers who have a good faith belief that the information submitted in their proposals is protected from disclosure under the New York Freedom of Information Law must clearly identify the pages of the proposals containing such information by typing in bold face on the top of each page, **"THE PROPOSER BELIEVES THAT THIS INFORMATION IS PROTECTED FROM DISCLOSURE UNDER THE STATE FREEDOM OF INFORMATION LAW."** The District assumes no liability for disclosure of information so identified, provided that the District has made a good faith legal determination that the information is not protected under applicable law or where disclosure is required to comply with an order or judgment of a court of competent jurisdiction.

## **MODIFICATION AND/OR WITHDRAWAL OF PROPOSAL**

A proposal may not be modified, withdrawn or canceled by the Proposer following the time and date designated for the receipt of proposals.

Prior to the closing time and date designated for the receipt of proposals, proposals submitted early may be modified or withdrawn only by notice to the party receiving proposals at the place and prior to the closing time designated for receipt of proposals. Such notice shall be in writing under the signature of the Proposer and must be received by the District prior to the official closing time and date for receipt of proposals.

Any modification shall be so worded as not to reveal the amount of the original proposed sum. To do so will render the modification and original proposal invalid.

## **DURATION OF PROPOSAL**

To be considered, proposals must be held firm for a minimum of one hundred fifty (150) days from the deadline for submission of the proposals to allow for acceptance by the District.

## **CONTRACT AGREEMENT**

The selected Proposer will be required to enter into and sign a formal written contract (**See Attachment #1**) between the District and the Proposer, reviewed by legal counsel for the Onondaga Central School District. The District retains the option of canceling the award if the successful Proposer fails to accept such obligations.

## **CONTRACT AVAILABILITY (“Piggybacking”):**

The District will make this contract available to all municipalities, school districts and political subdivisions subject to eligibility under state law. Contracted vendors can provide substantially the same goods and services under the same terms and conditions detailed in the RFP, provided local law permits and the requesting municipality, school district and/or political subdivision make their own payment arrangements. The vendor may not increase the price on the contract but may negotiate a reduction. The District is not responsible for determining an entity’s ability to piggyback, and that right is reserved exclusively to local counsel. Extension of the contract to additional entities is optional for the vendor.

## **NEGOTIATED CHANGES**

In the event negotiated changes occur after the awarding of the contract, the same pricing policies called for in the original contract will remain in effect.

## **NOTE TO PROPOSERS**

You will be forwarded notice of the awarded services only.

The Onondaga Central School District reserves the right to waive any formalities and to reject or negotiate any and all proposals without assigning any reason.

## **EVALUATION CRITERIA**

The District will review the proposals and select a Proposer on the basis of the evaluation criteria listed. The District reserves the right to reject and/or to negotiate any and all proposals submitted, to request additional information from all Proposers and to negotiate with one or more of the finalists regarding the terms of the engagement. The District intends to select the Proposer that, in its opinion, best meets the District's needs, not necessarily the Proposer whose fees are the lowest.

Evaluation Criteria and the maximum possible points to be awarded for each criterion will be as follows:

<b>No.</b>	<b>Criteria</b>	<b>Maximum Points</b>
1	Qualifications and experience of the Proposer, including comparable school district and/or governmental accounts of similar size and scope as this project (Also, includes status as an M/WBE certified business and/or a business with a physical location within the limits of the Onondaga CSD as allowable under funding source guidelines)	20 points

3	Adequate physical plant – square footage, indoor/outdoor gross motor, etc.	20 points
4	Narrative description of the program	20 points
5	Total cost of the proposal – Agency Budget Form	20 points

The District reserves the right to consider all relevant and reasonable information relating to the evaluation criteria listed, which may or may not be explicitly stated in the Scope of Services description, when selecting the successful Proposer.

Points for cost will be assigned on the basis of ratio from low to high, meaning the Proposer with the lowest cost will be assigned the highest point value; second lowest cost will be assigned a point value in proportionate descending order in relation to how many RFP submittals are received and cost amount submitted.

## **AWARD**

The District hereby notifies all Proposers that it will affirmatively ensure that any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit offers and will not be discriminated against on the grounds of race, color, national origin in consideration of the award. Proposers hereby agree that should the Proposer be awarded this contract, or any portion of this contract, the Proposer will not discriminate against any person who performs work there under because of race, religion, color, sex, national origin or ancestry.

The District reserves the right to reject any or all proposals, to waive any informalities or technical defect in proposals, and unless otherwise specified by the District to accept any portion(s) of the proposal that may best serve the interest of the District including the right to award a contract without further discussion or negotiation with anyone proposing these services.

The District reserves the right to award this proposal in full or in part to one or more Proposers so as to best meet the District's needs.

Neither the contract nor any interest therein or payments to be made thereunder shall be assigned, transferred or otherwise disposed of without prior written consent of the District, and such consent may be withheld for any reason whatsoever, completely at the discretion of the District.

## **PRICE REDUCTION SUBSEQUENT TO AWARD**

If at any time after the date of the proposal, the Proposer makes a general price reduction in the comparable price of any material/service covered by the contract to customers generally, an equivalent price reduction based on similar quantities/considerations shall apply to this contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The Contractor shall submit his or her invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the contract documents. The Contractor in addition will within ten days of any general price reduction notify the District of such reduction by letter. FAILURE TO DO SO MAY RESULT IN TERMINATION OF THE CONTRACT FOR CAUSE. Upon receipt of any such notice of a general price reduction, all ordering offices will be duly notified by the District.

## **MONITORING AND EVALUATION OF SERVICES**

The District reserves the right to monitor and/or evaluate the services provided under an agreement with the Contractor. Such monitoring and evaluation may be conducted through on-site visits and observations, surveys, interviews with participants and stakeholders, document and artifact collection and review, and any other applicable means. Services provided must be appropriate, allowable, and consistent with District and funding source requirements and guidelines. All programmatic goals and decisions shall be made and determined by District.

## **DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS**

By submitting a proposal in response to this RFP, the Proposer certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

## **STUDENT PRIVACY**

The Onondaga Central School District ("OCSD") is an educational agency within the meaning of Section 2-d of the New York State Education Law ("Section 2-d"), and Contractor is a third-party contractor within the meaning of Section 2-d. Pursuant to the Agreement, Contractor may receive access to student data, which is regulated by Section 2-d, from OCSD. The provisions of this section are intended to comply with Section 2-d in all respects.

As used in this section, the term "student data" means personally identifiable information from student records that Contractor receives from the District. By submitting a proposal in response to this RFP, the Contractor certifies that it will abide by these provisions if selected by the District to provide services.

### **Education Law Section 2-d (5) (d)**

Contractor agrees that the confidentiality of student data shall be maintained in accordance with state and federal laws and the educational agency's policies on data security and privacy that protect the confidentiality of personally identifiable information.

### **Education Law Section 2-d (5) (e)**

Contractor agrees that any of its officers or employees, and any officers or employees of any its assignees, who have access to personally identifiable information will receive training on the federal and state law governing confidentiality of such data prior to receiving access to that data. Education Law Section 2-d (3) (b) (1) and (c)(1)

The exclusive purpose for which Contractor is being provided access to personally identifiable information is to enable OCSD to make use of the Services defined within the underlying Contractor Agreement. Student data received by Contractor, or by any of its assignees, from OCSD shall not be sold or used for marketing purposes.

### **Education Law Section 2-d (3) (c) (2)**

Contractor shall insure that to the extent that it comes into possession of personally identifiable information, it will only share that personally identifiable information with additional third parties if those third parties are contractually bound to adhere to the data protection and security requirements set forth in this Agreement.

### **Education Law Section 2-d (3) (c) (3)**

Upon expiration of this Agreement without a successor agreement in place, Contractor shall assist OCSD in exporting all student data previously received from OCSD, and, at the request of OCSD, Contractor shall thereafter securely delete any copy of the data remaining in its possession. If data is to be maintained by Contractor for federal and/or state reporting, such data shall remain in an encrypted format and stored in a secure facility.

### **Education Law Section 2-d (3) (c) (4)**

Parents have the right to file complaints with OCSD about possible privacy breaches of student data by OCSD's third party contractors or their employees, officers, or assignees, or with NYSED. More information about where to address those complaints will be provided at a later date.
