

Directions: Onondaga CSD Mandatory Trainings (2026-27)

There are 4 different trainings that will be required for the 2026-27 school year. This directions sheet is an aggregation of all sites/directions that have/will be sent out. These NYS-mandated trainings must be completed by 9/09/2026 because the state requires us to submit them by 9/15/2026.

In order to ensure everyone has completed all of the required training, Mr. Mumford has created this checklist with every training. *Note: The final few trainings (Data Privacy, DASA & Mental Health) are run by BOCES and may not be available until the beginning of the 2026-27 school year.*
